Leading Through Strategic Foresight & Anticipatory Governance

 For experienced leaders driving systems change

Africa's future will be shaped by leaders who can anticipate change and guide institutions through uncertainty. This executive program equips experienced leaders with the tools and frameworks to anticipate the future, govern complex systems, manage risk, and build institutions that are resilient, accountable and prepared for tomorrow's challenges.

KEY TOPICS YOU WILL EXPLORE

 Strategic foresight & futures thinking

 Trends, drivers of change & emerging signals

 Data & evidence for future-oriented decisions

 Scenario planning & future simulations

 Strategic decision-making under uncertainty

 Designing adaptive & resilient strategies

Who should apply

- Mid-career and senior professionals aged 30–55
- Women, individuals with disabilities, and leaders from underserved communities are strongly encouraged to apply

What you receive

- Executive education certificate
- Access to ASG's leadership ecosystem
- Practical tools & frameworks for immediate use
- Networking with senior African leaders
- Alumni engagement opportunities

Your path to the inaugural cohort

Weeks 1–2 · Online

- Live faculty-led learning sessions
- Peer learning circles & dialogue
- Reflections, assignments & foresight exercises

Week 3 · In-person, Kigali

- Interactive masterclasses & simulations
- Cross-generational & cross-sector networking
- ASG convening with senior leaders
- Graduation & alumni induction

FEES & FINANCIAL SUPPORT

Self-funded cost

USD 495

Self-funded program participation fee, per participant. Does not include travel to, or accommodation in Rwanda.

Sponsorship

Merit-based support

A limited number of sponsored spots are available for exceptional applicants who would otherwise be unable to participate. Sponsorship will be awarded based on demonstrated financial need and the strength of the application.

We are committed to making this program competitive and selective while ensuring it is accessible to those who need it most.

HOW TO APPLY

1

Prepare

Your CV, a short statement of motivation, and — if seeking sponsorship — A financial personal statement

2

Apply online

Complete the application form and select your program and funding option.

3

Selection

Shortlisted applicants are reviewed; successful candidates are notified by email.

Apply by 3 July 2026.
